## CHAIRMAN'S MESSAGE

H.H. Sheikh Dr.Majid bin Saeed Al Nuaimi

Established in 2006, World Investments has constantly endeavored towards positively contributing to the development of high-quality financial services and investment opportunities within the UAE.

At World Investments, we firmly believe that investment wisdom, local and international experience, pro-active research on latest market trends and customer needs, personalized customer service, as well as cutting-edge technology hold the key towards providing market-relevant products and services that ensure in delivering successful investment solutions, thereby resulting in delivering superior value and benefits for our clients.

Within a very short span of time, our successful track record and expertise have led to an exponential growth in our list of prestigious and satisfied clientele who have all benefited from our prudent investments in diversified sectors and markets across the region – ranging from real estate, industrial, financial, healthcare, technology and education amongst many others.

We take great pride in what we have accomplished so far. However, this is just the beginning. With an eye always on the future, we will continue to build on the pillars that have helped us in our achievements including all the people within our organization, who always remain our most valuable asset, as we strongly believe that they determine our organizational success and growth.

In conclusion, I'd like to add that, in spite of any global crisis prevalent across the world at any given moment of time, the UAE will always continue on its path towards becoming one of the key global business hubs. Its entire business ecosystem will continue to strive towards enhancing itself in terms of superior quality and development and all the while we, at World Investments P.S.C. will always remain in a successful position to exploit these changes to positively benefit our clients, partners, shareholders and our community as a whole.

Services

## **CASH TRADING** Cash in on the Returns

Our cash trading canvas is meticulously put together by the leading figures in our organization and the model is applied to reputable corporations worldwide. As an investor, you will simply need to sit down with our advisor and tell them about your preferences, and they will take it from there. It's that simple.

## ONLINE TRADING

Trade Anytime Anywhere

At World Investments, we have simplified the process of setting up an online trading account in UAE. The easy to use interface offers real-time trading options, and features resources such as charts, analysis tools, stock movements, trade history and more. Online trading is getting traction globally, and there is no better place to start than World Investments.

## **MARGIN TRADING** **Capitalize On Market Fluctuations Beforehand**

Once we establish your margin line, you will gain control over the way you wish to invest your funds and be able to trade an array of products. In the event that your initial margin doesn't meet the minimum requirement, you'll have the chance to either deposit cash or securities to restore your initial margin line.

## MOBILE TRADING

### Trade On The Go

Our integrated software (Zagtrader) works on all types of smartphones and lets you analyze the performance of the market. You can connect it with local brokers, using real time reporting and risk analysis. You will have all the updates on the market at your fingertips, as well as the support of our experienced financial experts.

## **CLEARING** **Quick. Simple. Hassle-Free**

World Investments offer the fastest turnaround time in settling transactions. We have an enviable portfolio of clients who continue to benefit from our quick clearance services. Depending upon the volume of trades undertaken by our clients, we allocate a dedicated team of clearance experts at their service.

## PORTFOLIO MANAGEMENT

### Putting Your Investment in Different Baskets

World Investments is backed by years of experience and precision well-suited for the market. In an ever-changing economy, the risks outweigh the benefits, which is the biggest challenge for any corporation or individual. We, at World Investments determine what's best for your portfolio in relation to your attributes.

Our dedicated financial advisor will work closely with you in managing your investments. Through mutual understanding, together we will clearly define goals, timelines and risk tolerance. Rest assured, you will feel at home with us.

## FUND SERVICES

### Your Financial Wellbeing Guaranteed

Our fund services open doors for you to seize opportunities and look beyond. With a wealth of experience, World Investments is your stepping stone to a bright future. From Net Asset Value and fund structuring to investor solutions and corporate management; we got you covered in all departments.

## **INVESTMENT MANAGEMENT** Exploring Growth Avenues

Our seasoned investment management experts analyze investment opportunities for you from all possible angles. From risk mitigation to long-term returns, we provide a comprehensive roadmap for your investment needs. We gather all the essential information of your business; such as past affiliations, present scenarios and future aspirations to devise a foolproof strategy for you going forward.
